February 16, 1959

Brigadier General Andrew J. Goodpaster
Staff Secretary
The White House
Washington, D. C.

Dear Andy:

I enclose a note for the President, together with a covering memorandum from J. C. King, the head of my Latin American Division, regarding Communist activities in Mexico.

As you will note from the covering memorandum, Ambassador Hill was anxious that the President should be briefed on this particular subject,

I would appreciate it if you could find an opportunity to brief the President on these matters before his departure, and I suggest that you return these papers for filing here, unless you should wish to retain them.

Faithfully yours,
